Application Name:

ScoreSpot

Vision Statement:

For the world's biggest football fans, ScoreSpot is there to provide up to the minute stats that make viewing your favorite club as quick and easy as possible.

Version Control:

https://github.com/LucasPatenaude/ScoreSpot

Development Methodology:
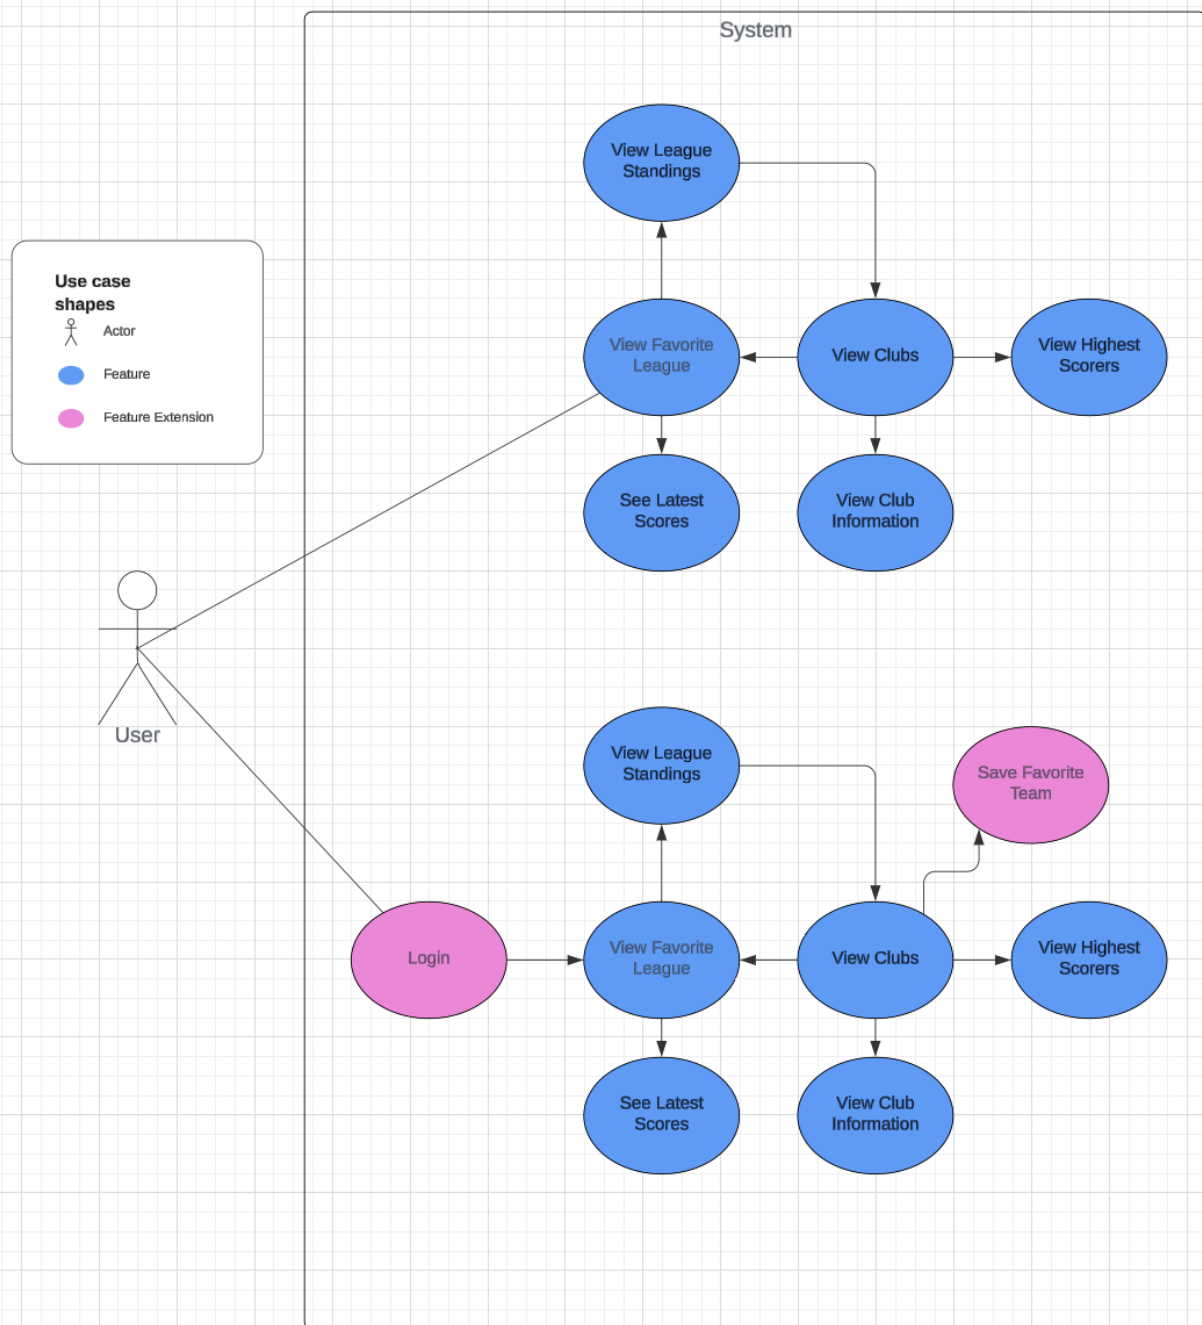

Communication Plan:

Our team is using discord to communicate and notify each other about progress on our application. We are specifically utilizing the channel feature to distribute and organize our messages.

Meeting Plan:

Our team has agreed to meet on Tuesdays anytime after 4, varying on the week. This is in person so we can collaborate like a beautiful ensemble. We hope to meet with the TA on Thursdays at 4 every week on zoom.
